

## Venue

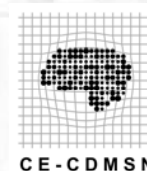

Faculty of Mechanical Engineering  
111 Domneasca Street, Galati, Romania  
<http://www.mec.ugal.ro>

Dunarea de Jos University of Galati  
Faculty of Mechanical Engineering

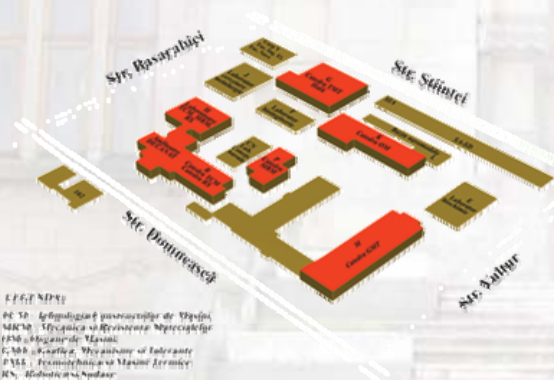

Centre of Excellence  
Research and Development in Numerical  
Modeling and Simulation

## International Seminar

## Materials Processing & Characterization & Manufacturing

September 23-24, 2013  
Galati, Romania

## Symposium comitee

Felicia Stan, [felicia.stan@ugal.ro](mailto:felicia.stan@ugal.ro)

Catalin Fetecau, [catalin.fetecau@ugal.ro](mailto:catalin.fetecau@ugal.ro)

## Program – Main topic

Monday, September 23, 2013

Room B32 (Building B)

- 09: 45**      **Opening / Introduction remarks**  
Catalin Fetecau  
Dunarea de Jos University of Galati
- 10: 00**      **Shape Memory Polymer Foams**  
Loredana Santo  
University of Rome Tor Vergata (IT)
- 10: 45**      **Coffee Break**
- 11: 00**      **Shape Memory Polymer Composites**  
Loredana Santo  
University of Rome Tor Vergata (IT)
- 11: 45**      **Discussions**
- 12: 30**      **Lunch Break**
- 13: 30**      **Shape Memory Polymers Foams and Composites: Two Experiments on Board of the International Space Station**  
Loredana Santo  
University of Rome Tor Vergata (IT)
- 14: 15**      **Discussions**

## Program – Main topic

Tuesday, September 24, 2013

Room B 32 (Building B)

- 10:00**      **Industrial Sustainability: the European Project “Sustainable Moulding of Articles from Recycled Tyres” (SMART)**  
Loredana Santo  
University of Rome Tor Vergata (IT)
- 10: 45**      **Coffee Break**
- 11: 00**      **“Sustainable Moulding of Articles from Recycled Tyres” (SMART)**  
Loredana Santo  
University of Rome Tor Vergata (IT)
- 11: 45**      **Discussions**
